Notes:
 UCC designations (BSC UCC1, CHM UCC1, etc.) satisfy FIU University Core Curriculum (UCC) requirements but may not satisfy prerequisites in the major that require an exact course match such as BSC 1010, CHM 1045, PHI 2010, PHY 2053, etc.
 HUM UCC1 does not award Gordon Rule Writing.
 *CS101 course offers three programming options. Students are asked to meet with their academic advisor before taking this course for appropriate program selection.
